The Sustainability Mindset Indicator Newsletter - March 2024

## Welcome to the SMIndicator Newsletter!

Dear Sustainability Enthusiast,

We are very excited to share with you our fourth issue of the SMI newsletter, bringing to you the latest on tool application, research and inspiration.

Stay tuned!

- Felix, The SMIndicator Team

---

### In this issue:

- Webinar: What is the SMI?
- German Version: Sustainability - We need to talk
- French Version: The SMI in French
- Upcoming Trainings

*Sustainability Mindset Indicator is our compass for positive change! Let's unlock our potential for sustainable living, one mindful choice at a time. Explore the indicator, embrace the journey, and let's shape a future where harmony with our planet is our guiding principle.*

---

## Webinar: What is the SMI?

Join us online to learn about the Sustainability Mindset Indicator and how it can help you measure and improve your sustainability efforts!

**Wednesday, March 13 · 8am (NY TIME)**

[Sign up & discover the SMI](#)

---

## German version available now

Nachhaltigkeit - Wir müssen reden!

Sustainability - We need to talk!

This book is conceived as a dynamic dialog between an educator and her enthusiastic students and is intended to provide a simple introduction to a complex concept.
